EDUCATION

March 2022 ~
B.S. in Earth System Sciences, Yonsei University, Seoul, Republic of Korea

ACADEMIC COURSES

Geology :
Introduction to Earth System Science, Environmental Earth Science and
Labs, Sedimentary Petrology, Introduction to Paleobiology, Structural
Geology & Laboratory, Geodynamics, Earth Materials Science & Lab,
Geophysics & Laboratory
Mathematics :
Calculus & Vector Analysis(1)&(2)
Physics :
General Physics and Laboratory(1)&(2)
Chemistry :
General Chemistry and Experiment(1)&(2)
Earth Sciences :
Introduction to Atmospheric Sciences

RESEARCH EXPERIENCES

July 2023~
Undergraduate Intern of Morphodynamics and Quantitative Stratigraphy Lab

FIELD EXPERIENCES

June 2021
Jeju Island, Republic of Korea
July 2022
Hantangang River, Republic of Korea

AWARDS AND HONORS

August 2021
Very Good Award, Data Mining Test, International Earth Science Olympiad
August 2021
Very Good Award, National Team Field Investigation, International Earth Science
Olympiad
August 2022
Awarded Honors, Yonsei University, Republic of Korea
March 2022
Awarded High Honors, Yonsei University, Republic of Korea
August 2023

Awarded Honors, Yonsei University, Republic of Korea

SCHOLARSHIP

Internal Scholarship, Yonsei University, Republic of Korea	2022 Spring
Internal Scholarship, Yonsei University, Republic of Korea	2022 Fall
Internal Scholarship, Yonsei University, Republic of Korea	2023 Spring
